Dear Parents,

We are introducing our new Hot Lunch Program effective March 2019. The dishes will be catered by Cibo on Monday, Tuesday and Thursday while pizza will be ordered from Domino's every Wednesday. FMS will retain our most popular dishes which will be served every Friday. Please go over the menu carefully as they are different each day. Circle the dates that you have chosen. **We won't be able to accommodate last minute orders anymore so please make sure you pay and place your order at the beginning of each month.** We appreciate your support and understanding.

Thank you.
